Dear Parents

Welcome back to this new term and New Year. Here are a few items of news and information.

Target Setting Evening

Wednesday 24th February

Thursday 25th February

Appointments will be organised shortly to meet with the class teachers to discuss your child's progress.

On Friday 5th February we are supporting the UNICEF Day for Change and we hope that you will join us to help improve children's health and education in Mozambique by taking part in Day for Change.

Every day in Mozambique, about 400 children under the age five die, mainly of preventable causes. One in two children lack safe drinking water and around one in three girls do not get the chance to attend primary school. UNICEF is changing children's lives in Mozambique, but we need your help to do more. We are supporting this cause by having a non-uniform day with a suggested donation of 50 pence. Thank you.
