Together'**

4th March 2010

Dear Parents/Carers

As you already know the school is taking part in a Comenius project to develop an international partnership with Bulgaria, Romania, Poland, Turkey and Iceland. We are working with an Early Years Setting in each of these countries to learn about their setting, town, country and culture.

It is now our turn to host delegates from each of those countries. Our visitors will be here in our school between Monday 15th March and Thursday 18th March. They will be spending time in school to look at the activities the children are doing, and have taken part in so far, and to assemble a joint display of the children's work from each country.

We will be visiting Drifffield School, the Junior School, Tot Stop and other venues within our town.

We would like to invite you to meet our visitors on Tuesday 16th March between 3.20 and 4.00 pm after school when you have collected your child. We are sorry if you can not attend but please ask your child about what they have been doing. Pictures will be on the website and we will be producing a small booklet for your child to borrow and share with you.
