

Gardening and Wildlife at Northfield

Autumn 2018 Sessions

Tues 9 th October	Dragonflies
Tues 16 th October	Grasshoppers
Tues 23 rd October	Bumble bees
Tues 6 th November	Caterpillars
Tues 13 th November	Butterflies
Tues 20 th November	Ladybirds

We intend to run these sessions whatever the weather so ask that on the day of your child's session they come to school dressed in outdoor clothes that are appropriate for that day's weather – sunhats and sun cream applied or clothes that are warm and that you don't mind getting muddy! If needed, outdoor shoes or wellies can be brought in a named bag. These dates are also on the website.

Thank you
