Dear Parents and Carers

As I am sure you will have realised it is not long now until Mrs. Wainwright will be leaving us to take her maternity leave. She will begin this leave at the end of this half term on Friday 15th February. I am pleased to let you know that Miss. Hornshaw will be joining our team and teaching the Butterflies class whilst Mrs Wainwright is away. Miss. Hornshaw is familiar with the school and has worked with the team in the past. She is very excited to be coming to Northfield and I know the children will get the very best experiences with her. However, due to prior commitments and the timing of the maternity leave starting, Miss. Hornshaw will not be able to join us for the first three weeks of the half term and will start with us on Monday 18th March. To ensure consistency and continuity for the children I will be teaching the Butterflies during that short time along with Mrs. Anderson and Mrs. Raines.

Miss. Hornshaw will be making some visits into school before she takes up her post so both her and the children will be able to get to know each other before she starts. As you will have seen from the school calendar we are holding 'Parents/Carers Evenings' on Monday 11th February and Wednesday 13th February, which is an opportunity for you to meet with class teachers to discuss your child's progress. (Further information will be sent out about this week). We are hoping Miss. Hornshaw will be able to join Mrs. Wainwright for these meetings which will offer parents/carers of the children in the Butterflies class an opportunity to meet her and of course wish Mrs. Wainwright well for her maternity leave!

We are all very excited about the impending arrival of 'Baby Wainwright' and wish both Mr. and Mrs. Wainwright our very best wishes for the future. I will of course let you all know any further news whilst Mrs. Wainwright is on maternity leave.

Thank you for your continued support and if you have any questions or queries please do not hesitate to contact me.

Yours sincerely

Mrs Sam Woolhouse
