Dear Parents and Carers

I am writing to inform you that due to safeguarding regulations and to protect all our children, the main school gates will now be closed from 8.45am until 3.30pm each day. This is to ensure children are not at risk of moving vehicles on the school grounds at anytime. The large gates will be locked during this time and the side pedestrian gates will be closed at 9.30am and re-opened at 3.10pm. If access to the site is required during the school day please use the side pedestrian gate, which must be closed after you please.

We also request, again for safety reasons, that parents and carers do not use the car park when dropping off at Breakfast Club, before the gates are locked.

Thank you for your co-operation and I am sure you understand our reasons for this change. If you have any questions or queries, please do not hesitate to contact me.

Yours sincerely

Mrs Sam Woolhouse
