8<sup>th</sup> May 2017

Dear Parents/Carers,

As part of our learning in Science, about Living things and their habitats in Science the Y2 children will be visiting Bempton Cliffs RSPB site and the Living Seas Centre at Flamborough. **Dragonflies** will be going on **Thursday 22<sup>nd</sup> June** and **Grasshoppers** on **Tuesday 27<sup>th</sup> June**.

As you are aware we have been fundraising towards this trip and we have nearly raised enough for the trip to be free of charge. In order to raise the remaining amount we are planning to produce a Year Group photograph for sale. At the moment we estimate this will cost £2.00 - £3.00.

The coach is fitted with seat belts and hired from Bus King and will leave school at 9.15 a.m. and return at approximately 3 p.m.

There will be 53 Y2 children taking part accompanied by the appropriate number of adults. As in all school activities the children should respect the authority of all the adult helpers and be prepared to do as they are told.

The children will be provided with a packed lunch from school. If you prefer to provide your own packed lunch please complete and return the slip below **by Thursday 25<sup>th</sup> May**. The children will need their school sweatshirt, wellingtons, a waterproof coat and a sun hat. If you would like your child to wear sun protection cream please apply before coming to school.

The trip has the approval of the full governing body and is covered by the ERYC Voyager Personal Accident Insurance Scheme. The staff will carry a mobile phone at all times.

If your child suffers from travel sickness or has any specific medical needs please let us know so that appropriate arrangements can be made.

If you wish your child to take part in this trip please complete the parental consent form and return to school by Tuesday 8<sup>th</sup> June.

If you have any questions about our educational visit please do not hesitate to see the visit organisers Mrs. Baarda and Miss. Yorke.
