Dear Parents/Carers

As you are aware online safety is an important but ever growing issue for children. An online safety guide has been sent home with all the children today which outlines our online safety rules. We have been discussing these with the children and ask you to also talk about them together at home. It may appear that some of these seem quite grown up for children in Foundation Stage and Key Stage 1 but we feel it is important to instill these safety guidelines from an early age so when they do use the Internet more independently they will automatically know how to stay safe whilst still having fun.

We have also sent home our Online Safety Agreement which as a school we are obliged to ask you and your child to sign and return as soon as possible, confirming that the guidelines have been shared between the school, pupils and parents/carers.

Thank you for your continued support and if you have any questions or queries please do not hesitate to contact me.

Yours sincerely

Mrs Sam Woolhouse
