Dear Parents and Carers,

As you will already be aware the government introduced additional funding into schools to directly improve the provision of physical education and sport in primary schools, as well as encourage pupils to take part in a broad range of sports and activities regularly.

We are pleased to announce that, in partnership with East Riding Leisure, we are able to fund **ten free swimming lessons for every child in the school**, either through weekly lessons in the evening or through crash courses in the half term holidays.

As you will see from the leaflet attached, these lessons can be accessed at any of the East Riding Leisure Centres. This funding is available for all our pupils and can be used to fund one block of lessons, even if your child already attends regular swimming lessons.

In order to book the lessons, we need your permission to share some information between Driffield Northfield Infants School and East Riding Leisure. This will include your child's name, age and school year. With your permission, the leisure centres will also share any assessment information with the school at the end of the block. Please complete and return the slip below to school, as soon as possible and **before contacting a leisure centre**.

Calls to make bookings can be made from 8th January 2018 onwards, but only after slips have been returned. Unfortunately without permission to share this information you will not be able to access the funding as the East Riding Leisure will not be able to verify that your child attends our school.

If you require any further information please do not hesitate to contact us.

Yours sincerely

Sam Woolhouse
