**'All Moving Forward
Together'**

Friday 12th January 2018

Dear Parents and Carers

Happy New Year to you all and welcome back to the new term! It has been lovely to see everyone again this week and hear all the children's exciting news. We have an exciting term ahead of us including Year 2 visits to Wolds Gym Club and Elmswell Farm, gardening sessions and a Morris dancing workshop for every class, to mention just a few.

With this letter you will have also received information about Mathletics which is a maths program the school has subscribed to which is a targeted and captivating online learning resource which the children will be able to access at home. The tasks and activities included in the program are aligned to the children's learning during lessons in school and a valuable opportunity for them to consolidate and extend their learning. As you will see from the information provided each child has their own individual username and password, providing access to individually targeted games, activities and homework tasks. Teachers have spent time introducing the program to the children in school so hopefully they will be familiar with how everything works but if you have any problems just let us know.

Thank you for all your continued support and we look forward to working in partnership with you throughout the year.

Yours sincerely

Mrs Sam Woolhouse
