**'All Moving Forward
Together'**

Dear Parents and Carers

On Friday 21st June a local author, Marion Gamble, will be visiting the school to work with each of the classes. During these sessions she will share her books with the children, inspiring them to develop their own reading and writing. The main focus of the day will be around her book 'Moon Cat'. This is a rhyming story all about a cat's adventures out in the countryside at night. Other books she has written include 'Jack and the Boody Monster', 'Jack Wants a Pet' and 'The Westwood Troll' which is set around the Black Mill on the Beverley Westwood.

There is no obligation but if you would like to purchase any of the books, especially Moon Cat, which the day will be based around, completing the slip below will offer the opportunity to do this at a reduced price. Orders made and sent into the school office before the Wednesday 19th June will be signed by the author and sent home with the children on the day of the visit.

Yours sincerely

Mrs Sam Woolhouse
Headteacher

Child's Name _____

I would like to order the following books:

Book Title	Cost	Quantity
Moon Cat	£5.00
