

## Gardening and Wildlife at Northfield

### Autumn Term 2019

Tues 8 <sup>th</sup> October	Dragonflies
Tues 15 <sup>th</sup> October	Grasshoppers
Tues 22 <sup>nd</sup> October	Bumble bees
Tues 5 <sup>th</sup> November	Caterpillars
Tues 12 <sup>th</sup> November	Butterflies
Tues 19 <sup>th</sup> November	Ladybirds

We intend to run these sessions whatever the weather so ask that on the day of your child's session they come to school dressed in outdoor clothes that are appropriate for that day's weather – sunhats and sun cream applied or clothes that are warm and that you don't mind getting muddy! If needed, outdoor shoes or wellies can be brought in a named bag.

Thank you.
