

Year 2

Dear Parents and Carers,

As part of the Sports Premium funding we have arranged for each class to visit the Wolds Gymnastics Club during this academic year. The children and staff will get to work with specialist gymnastic teachers and will be able to use a wide range of equipment.

We hope that through the children participating in these sessions they will develop their gymnastic skills and will learn more about how to keep active and healthy.

Each class will attend a block of sessions and will be transported to and from school by mini bus. Year 2 will complete a longer 6 week course at the Gym in order to work towards achieving Gymnastics Skills awards, with Year 1 and Foundation Stage completing 2 taster sessions.
