

Hello from Team Northfield

All the staff just wanted to say a great big well done to you and let you know how much we are all missing you. We know it is really hard and you must be missing all your friends so much. What you need to remember, is to be just like our friends Resilient Rene, Independent Indy and Enthusiastic Ellery.

It's really hard but just like Rene, we must keep going, stay at home now, so we can get back to school sooner. Remember just like in the story of the Hare and the Tortoise 'slow and steady wins the race'. It feels like a really long time but we will get there in the end and be all together again soon.

Now is the time for you to practise be independent like Indy. Your family might ask you to do some activities and work at home and this is when you can show them how clever you are and put all those skills you have learnt at school in to practise. Indy loves to try new things and having a go all by themselves. You can do that too. You can do anything when you try!

Just like Ellery we all have to be enthusiastic and positive too. We know it's difficult when you can't go to the park or see your friends but try to enjoy time with your family. Play your favourite games, or even make up new ones, read stories together, draw pictures for your friends and family for when you do get to see them again, sing songs and make up silly dances.

Most importantly you need to remember to smile every day, know that all the teachers are busy getting ready and planning exciting things for when we do see you again, which hopefully will be very soon.

We miss you very much but stay safe and enjoy being with your family.

From Mrs Woolhouse and all the Team Northfield Staff
