

Foundation Stage

Weekly Learning – W/C – 11th May 2020

Topic; Traditional Tales; The Three Little Pigs

Here are the weekly activity suggestions which link to things we would usually be learning this week in school. These can also be supplemented with other activities given on the school website. Please do what you can when you can and don't feel pressure to complete everything every day. This is simply a guide to help add some routine to your day – do what works best for your child and family circumstances. Again please be reassured that when we return to school we will be focussing on your individual child's needs and tailoring additional support specifically to this.

Ask your child to teach you the alphabet song.

Recap Phase 2 and Phase 3 phonic sounds

Phase 2 Phonics Sounds

- Set 1: s, a, t, p.

English

Read the story of "The Three Little Pigs" ([Click here for a video of the story being read if you don't have a copy of the book](#))

Ask the children to draw the characters from the story, cut out and make into simple puppets. Act out the story using the puppets.

Over several days support your child to write a sentence(s) about the beginning, middle and end of the story.

Maths

In maths we would be looking at 2d and 3d shape. BBC Bitesize offers a range of activities to cover this concept.

WhiteRose maths is also a fantastic website providing activities for the children. There are interactive activities to do on here each week, based on Foundation learning. You can adapt this to suit the learning style of your child by using the concept whilst out on your walk, in the garden or using maths whilst doing some baking perhaps.

This week's Early Years WhiteRose Maths focuses its activities around the Eric Carle's story The Very Busy Spider. [Click here](#) for a link to an animated version if you do not have the book.

Topic:

Art

Outside making 2shapes with natural materials.

PE

These lessons are really good to get you moving in a morning! It gives the children chance to use different muscles, learn all about the importance of warm ups and cool downs as well as using their co-ordination for some of the exercises. They are live on YouTube at 9am, but saved on his YouTube channel so you can access them whenever you want throughout the day. Fancy Dress Friday is fun, we would love to see what you dress up as!

Daily PE with Joe Wicks.
