**'All Moving Forward  
Together'**

11<sup>th</sup> May 2020

Dear Parents and Carers,

I am sure you will have all seen the Prime Ministers announcement last night and his request that schools begin to plan for the possible return of Reception (Foundation Stage) and Year 1 children on the 1st June. I know this will have now raised many question for you, just as it has for us. I understand you will have questions around safety, childcare for siblings in other year groups and how things stand for Year 2 and their transition to the juniors. As I suggested in my previous letter, schools have not yet received any government guidance regarding exact expectations and only found out about the plans during the Prime Ministers speech on Sunday evening. Therefore, I kindly ask again that you bear with us whilst we look to answer our own questions using the government guidance and Local Authority support, before planning how this will impact on our particular school and our specific circumstances. As soon as we are sure we can safely move forward with this plan we will give you all the information you need.

Please be reassured that safety is absolutely paramount and as things stand nothing has changed, school will remain closed until we have absolute assurances that your children, families, the staff and our wider community are completely safe.

Once again I am sorry I am unable to give more information or answer your questions immediately but aim to do this as soon as possible.

Thank you for your continued support, especially during such uncertain times.

Stay safe.

Yours sincerely

Mrs Sam Woolhouse  
Headteacher
