

## Weekly Learning – W/C – 18<sup>th</sup> May 2020

### Who lives in the deep dark wood?

Here are the weekly activity suggestions which link to things we would usually be learning this week in school. These can also be supplemented with other activities given on the school website. Please do what you can when you can and don't feel pressure to complete everything every day. This is simply a guide to help add some routine to your day – do what works best for your child and family circumstances. Again please be reassured that when we return to school we will be focussing on your individual child's needs and tailoring additional support specifically to this.

#### Phonics/spelling

Alternative spellings for short and **oa** sounds

**ow** is the alternative spelling for **oa**. Draw two columns on a piece of paper/tablet with **oa** at the top of one and **ow** at the top of the other. Choose some of these words to read out and ask your child to write them in the correct column, explain **oa** goes on the middle and **ow** goes at the end. I have added nonsense words too, my spelling hasn't gone downhill during lockdown!!

oa	ow
goat	snow
boat	low
float	tow
yoad	show
toad	drow
load	zow
coat	mow
road	quow
voad	vrow
quoad	flow

Practise recognition and recall of graphemes (this is the written sound). Can the children find things in the house or garden, or out on their daily walk/exercise that have the **oa/ow** sound in them written in either of these ways?

Teach reading and spelling the tricky words words: **school** and **magic**

Ask the children to write this silly sentence: I needed my coat to play in the snow at school.

**The websites below have different activities and videos you can watch that are linked to these sounds.**

Espresso

[https://central.espresso.co.uk/espresso/primary\\_uk/subject/module/sub\\_modules\\_index/item72024/gradef/index.html?source=search-all-all-all&source-keywords=phonics](https://central.espresso.co.uk/espresso/primary_uk/subject/module/sub_modules_index/item72024/gradef/index.html?source=search-all-all-all&source-keywords=phonics)

This week's spellings are:

- thirteen
- fourteen
- fifteen
- sixteen
- seventeen
- eighteen

Please use the look, cover, write, check method.

## English

Below is a link to the BBC Bitesize website. This gives you daily lessons to work on and also activities and videos to go with each activity. They are based on the levels of year 1 so the children can access them. The activities change on a weekly basis giving you something different to do. The link is there to give you some ideas, feel free to complete the activity in a way you think would suit your child's learning style.

<https://www.bbc.co.uk/bitesize>

## Maths

BBC bitesize, as explained in the English section are doing daily lessons for each subject and this is the same for maths. Again, look at the activity and change it to suit the learning style of your child, you could do the lesson practically or written down. If you are out on a daily walk/exercise the children could see how many different numbers/shapes they can see.

WhiteRose maths is also a fantastic website providing activities for the children. There are interactive activities to do on here each week, again based on year 1 learning. Again, you can adapt this to suit the learning style of your child by using the concept whilst out on your walk/exercise.

Whiterose maths –

<https://whiterosemaths.com/homelearning/>

Worksheets to accompany these sessions can be accessed on the Learning from Home page on our website - <https://www.driffieldnorthfieldinfants.co.uk/learning-from-home>

Below is a link to ICT games Number bingo. It is a brilliant way to get children thinking and answering questions quickly.

## Topic: Art

Our topic this half term would be 'Who lives in the deep dark woods?' Can you do some nature art by collecting different items and making a picture. Here are some ideas.

PE

How many of these daily PE lessons have you done? I hope you are having fun. I have left the link for both the Joe Wicks and Yoga sessions below. Also, remember you can go out for some exercise, walk, run, bike ride. This week can you make a mini obstacle course to complete? Perhaps you could have a race with members of your household to see who can complete it the quickest

Daily PE with Joe Wicks.
