

Year 2 Weekly Learning – W/C – 18th May 2020

Here are the weekly activity suggestions which link to things we would usually be learning this week in school. These can also be supplemented with other activities given on the school website. Please do what you can when you can and don't feel pressure to complete everything every day. This is simply a guide to help add some routine to your day – do what works best for your child and family circumstances. Again please be reassured that when we return to school we will be focussing on your individual child's needs and tailoring additional support specifically to this.

Phonics/Spelling

This week's spellings focus on adding the suffix 'ness' and 'less'. They are: homeless, hopeless, harmless, fearless, useless, careless, darkness, weakness, sadness and sickness.

This week's phonic focus is adding suffixes to make nouns. There are videos and activities to support this learning on Espresso:

https://central.espresso.co.uk/espresso/primary_uk/ubject/module/video/item911513/grade1/module910304/collection910337/section911510/index.html

Additional games to support phonics can be found on Phonics Play -

<https://new.phonicsplay.co.uk>

English

BBC Bitesize provides varied and interesting activities each day that are supported with video clips - <https://www.bbc.co.uk/bitesize>

This week focuses on joining sentences, writing days of the week and writing diaries.

Keep encouraging your child to read. Alternative online sources can be found at:

<https://www.storylineonline.net/>

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Maths

Two options for daily maths activities are available to choose from. Both have slideshows or videos to watch and complete each day. Remember you can use the little maths book we sent home to write the answers in.

Whiterose Maths – <https://whiterosemaths.com/homelearning/> Worksheets to go with this are available on the Learning From Home page on our website

<https://www.driffielddnorthfieldinfants.co.uk/learning-from-home>

Or BBC Bitesize - <https://www.bbc.co.uk/bitesize>

If you want to find other maths games to help you remember maths facts and practise what you know, visit Topmarks Maths for 5-7year olds. You can choose any category and any game.

Topmarks Maths - <https://www.topmarks.co.uk/maths-games/5-7-years>

Topic/Science/RE

This week we can find out about Rosa Parks, Oceania, forces and computer programming.
Lessons can be found at:
