Packed Lunches

If you are sending in a packed lunch for your child we would appreciate it if you can cut up grapes etc that could be a possible choking hazard. Also if you would please put an extra drink in their lunchbox so they do not have to remember to take in their water bottles into the hall with them.

Please keep the school up to date with any allergies.

Thank you for your help with this.

Absence from School in Exceptional Circumstances

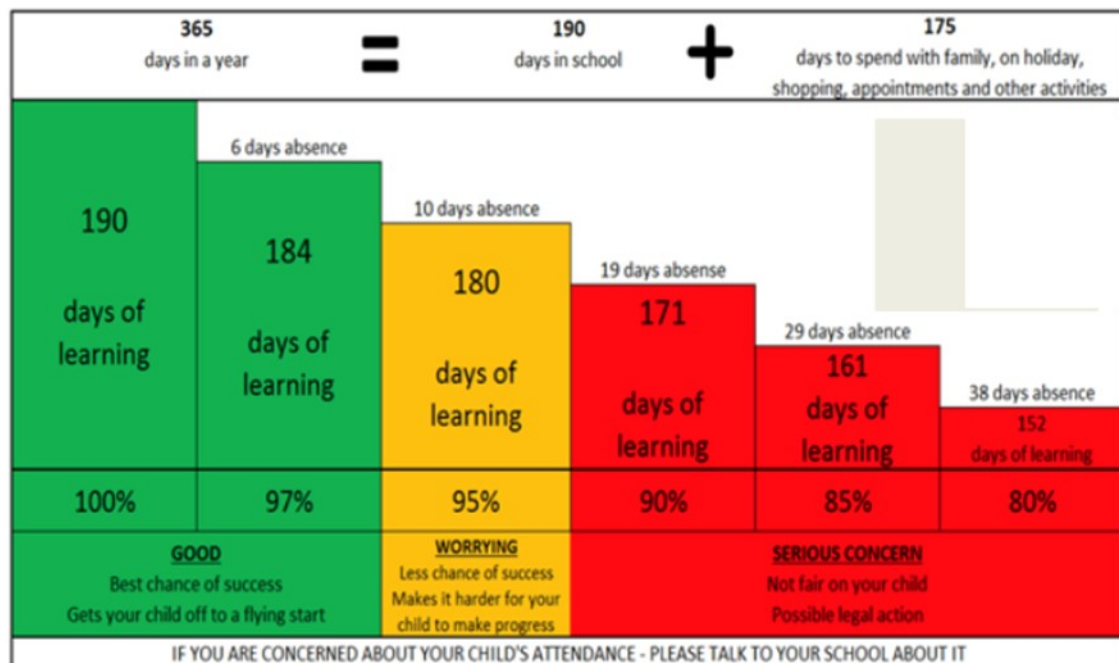

You are required under the Education Act (1996) to ensure your child attends school regularly (95% is considered to be good attendance). If your child accrues 10 consecutive sessions of unauthorised absence you may be liable for a penalty notice (one days absence equals two sessions, a five day absence is equal to 10 sessions).

An unauthorised absence is any absence that the Head teacher has not given permission for or where an explanation has not been provided by the parents.

Parents must complete a request for Absence from School in Exceptional Circumstances form and submit this to the school, allowing for sufficient time to enable the school to consider the request and inform the parents of the decision.

Where parents do not follow the school's procedures of submitting a request and simply remove their child without seeking prior approval, a warning may not be given and you may be liable for a penalty notice.

If your request is declined or you do not follow the correct procedure and you still take your child out of school each parent within your household may be issued with a £60 penalty notice for each child you have taken out of school. If a penalty notice remains unpaid after 21 days it will increase to £120. If after 28 days it remains unpaid you may be summonsed to appear before Magistrates to explain why your child has unauthorised school absences and you may be liable for a fine up to £100.

Thank you for all your support
