

## Google Classroom Harvest Festival Activities

Here are some instructions for logging in to Google Classroom to access our harvest festival activities.

- On Google Chrome browser search 'Google Classroom'
- Log in using the username and password sent home on your child's individual Home Learning login card
- Click 'Student'
- You will then see the following 'classroom' join:

- Click 'join' and then on the 'Classwork' tab at the top on a computer or at the bottom on a phone or tablet you will see each of the activity links.
- You will also see a Classroom in the name of your child's class but teachers will let you know when activities are available to access.
- There is also an additional Google Classroom guide on the Home Learning page of our website.
