'All Moving Forward  
Together'

12 March 2021

Dear Parents and Carers

I just wanted to write and let you know what a wonderful week we have had with everyone back in school. Seeing all the children enjoying their learning and having fun with their friends has just been lovely to see. Thank you for all the support you have given them during the period of remote learning; it is clear to see that this has made a huge difference and is helping them make a flying start now they are back in the classroom.

We have used this week to help the children reconnect with their friends, remember all the school routines and also find out what are the next steps for individual children. It is important that we work in partnership with you and look at how we can enhance learning at school with activities and tasks at home too. We will be holding our next Parent/Carer consultation meetings via telephone in the week after the Easter holidays, as we felt this would be an appropriate time to talk to you about how your child has settled and progressed in these first three weeks back. Further information about booking times will be sent out shortly. Of course if you have any questions before then please do not hesitate to contact us and we will be happy to help.

We are looking forward to the next fun filled two weeks, with **Red Nose Day on the 19<sup>th</sup> March**, where the children can wear something red and bring a joke to tell (no red noses in school though I'm afraid) and our **World Book Day celebrations on Friday 26<sup>th</sup> March** when the children can dress up as a book character or come in non-uniform.

Have a lovely weekend.

Yours sincerely

Mrs Sam Woolhouse  
Headteacher
