**'All Moving Forward  
Together'**

26<sup>th</sup> March 2021

Dear Parents and Carers,

As we continue to support contact tracing in a bid to reduce the spread of COVID-19, we kindly ask that if your child should develop symptoms and test positive for COVID-19 over this coming weekend, after being in school on Thursday or Friday, please send a text to **07768746807**, with your child's name and a contact number and someone will get back to you as soon as possible. Any development of symptoms or positive cases from Monday 29th March onwards only need to be reported through the NHS Test and Trace Service and school does not need to be informed.

If you are taking up the offer of household lateral flow testing, the Department of Education has asked that families continue to do this over the Easter school holidays to help protect against the spread of COVID-19 within the community. We would be really grateful, if you are using them, if a test could be carried out on the Sunday before children return to school on Monday 12th April, as this will help to identify any positive cases within a household prior to children returning. Information about how to obtain household test kits can be found [here](#).

Thank you all for your support over this last term. It has been an absolute delight having everyone back together during the last three weeks and we are excited about the fun-filled summer term to come.

Have a lovely Easter and we look forward to seeing you all on Monday 12th April.

Yours sincerely

Mrs Sam Woolhouse  
Headteacher
