**'All Moving Forward
Together'**

17th June 2021

Dear Parents and Carers

As you will have seen in our recent newsletter we were hoping to arrange our usual end of year trips for each of the classes. However, it is with great regret that since the government's announcement that lockdown restrictions will remain in place until at least the 19th July, we have had to make the difficult decision cancel these. After consultation with the Local Authority, Public Health and the venues, the COVID-19 safety measures required would not enable us to fulfil our educational visit health and safety measures adequately, especially regarding adult to pupil ratios, which as I am sure you will understand is something we are not prepared to compromise on.

I understand this is very disappointing, especially after the difficult year our children have faced, but we are looking to plan some further school based activities to ensure they continue to receive as many exciting opportunities and experiences as possible and will do everything we can to take the children out on additional visits once restrictions allow in during the next academic year.

Please note that due to the nature of the venue and exclusivity for our school during the visit, Year 2 will still be able to visit Elmswell Farm next week.

Thank you for your understanding and continued support.

Yours sincerely

Mrs Sam Woolhouse
Headteacher
