

Gardening and Wildlife at Northfield

Spring Term I

Tues 11 th January	Dragonflies
Tues 18 th January	Grasshoppers
Tues 25 th January	Caterpillars
Tues 1 st February	Caterpillars
Tues 8 th February	Butterflies
Tues 15 th February	Ladybirds

We will be restarting our Gardening and Wildlife Sessions on Tuesday afternoons this term. We intend to run these sessions whatever the weather so we ask that on the day of your child's session they come to school dressed in outdoor clothes that are appropriate for that day's weather – sunhats and sun cream applied or clothes that are warm and that you don't mind getting muddy! If needed, outdoor shoes or wellies can be brought in a named bag. We will send out a confirmation text the day before your child's session.

Please note that Bumblebees will have two sessions next half term due to their Wolds Gym visits this half term.
