Late Arrivals

Please can we remind you that the children need to arrive at school on time with teaching and learning beginning as soon as the children enter the classroom. Even arriving a few minutes late means children are missing valuable teaching time. Arriving after everyone else can also impact on a child's emotional wellbeing, making them feel different from the rest of the class. Late attendance is monitored and under the Local Authority Attendance Policy can lead to a fixed penalty of £1000. Please ensure your child is arriving on time for their class everyday so that all our children receive the best opportunities to reach their potential, thank you.

Thank you for your continued support
