

Gardening and Outdoor Learning at Northfield

Summer Term I

Tues 26 th April	Dragonflies
Tues 3 rd May	Grasshoppers
Tues 10 th May	Bumblebees
Tues 17 th May	Caterpillars
Tues 24 th May	Butterflies
Tues 7 th June	Ladybirds

Here our Gardening and Outdoor learning Sessions for next half term. We intend to run these sessions whatever the weather so we ask that on the day of your child's session they come to school dressed in outdoor clothes that are appropriate for that day's weather – sunhats and sun cream applied or clothes that are warm and that you don't mind getting muddy! If needed, outdoor shoes or wellies can be brought in a named bag. We will send out a confirmation text the day before your child's session.
