5 April 2022

Dear Parents and Carers

### **Easter Bonnet Parade – Friday 8<sup>th</sup> April 2022**

We would like to invite you to come along and watch our Easter bonnet parade on Friday 8<sup>th</sup> April. The gates will open at 2.40pm and the parade will start at 2.45pm

The children have been busy making bonnets in school and will parade around the school grounds on Friday afternoon. To do this in the safest way possible we will be asking parents to stand in specific places in the grounds. By following this request, it will also ensure that children can be collected in a safe way at the end of the day:

- **Butterflies** – please stand along the fence on the path towards the foundation stage cloakroom where you usually wait to collect at the end of the day.
- **Ladybirds** – please wait along the fence and on the path along the school driveway.
- **Year 1 - Caterpillars and Bumblebees** – Along the far side of the main playground behind the cones.
- **Dragonflies** – Along the edge of the playground near the woodland walk. Please wait in this area after the parade until the Year 1 children have been collected.
- **Grasshoppers** – Along the path through the new small gate near the grassed area of the main playground. Please wait in this area after the parade until the Ladybirds have been collected from the main entrance before moving to the area outside the Grasshoppers classroom.

Signs will be up in the playground showing the places for the parents/carers of each class to stand. All the children will walk around the grounds so everyone will be able to see all classes from their allocated viewing point. There will be staff available to help you if needed. The children will all be bringing their bonnets home after the parade so can we please ask that photographs are taken at home rather than during the parade.

We look forward to seeing you there!

Yours sincerely

Mrs Sam Woolhouse  
Headteacher
