**'All Moving Forward
Together'**

4th May 2022

Dear Parents/Carers

As part of our learning in Science, about Living things and their habitats we would like to take the Year 2 children on a special trip to the Bempton Cliffs RSPB site and the Living Seas Centre at Flamborough. At the Bempton Cliffs nature reserve trained RSPB staff will introduce the children to the birds that live on the cliffs and the special habitat there. Children will have supervised access to binoculars and telescopes to observe a range of birds in their nests on the cliffs. At the Living Seas centre children will be introduced by trained staff from the Yorkshire Wildlife Trust, to a wide range of creatures that live on the shore.

The trip is booked for the **13th June for Grasshoppers** and **14th June for Dragonflies** and is in addition to the annual Year 2 trip to Sewerby Hall and Zoo in the summer term.

In order to keep the cost reasonable for parents we are asking the Year 2 children to undertake a danceathon as a fundraising activity to help with the cost of this trip. This fundraising activity will also help our children appreciate how much things cost and help them with their Maths when counting the money!

We are very fortunate to have such a fabulous natural resource so near. We thank you for your support to enable your children to appreciate the natural wonder on their doorstep.

Year 2 are having a sponsored Danceathon!

To raise money for our Bempton and
Flamborough Science trip the
children have arranged a

Sponsored Danceathon

on the afternoon of
Thursday 26th May 2022

The children will be dancing for one hour and will be
sponsored for up to 10 dances.

The children can bring a bag with clothes to get changed
into ready for the music to begin!
