

Dear Parents and Carers,

We are very excited to announce that the Foundation Stage children will be performing in an end of year show for their families and friends to celebrate their first year at Driffield Northfield Infant School. The show will be held in the school hall on Friday 1<sup>st</sup> July at 2pm. The children will be singing some songs they have been learning in school whilst reminiscing about the fun they have had with us over the past academic year. Once the children have finished their performance, we would like to welcome you into our area where your child can have a play before you take them home.

We look forward to the performance and hope to see you there.

Kind regards

The foundation Stage Team
